## JANUARY 2022 EDITION

Salvete omnes!

Happy New Year and I hope everyone had a wonderful break and is enjoying the new semester! Personally, I've been a little swamped from the new semester, so this edition is coming out a little later than I was hoping for 😊.

In this issue, I'll be introducing our wonderful new (and returning 😊) Member(s)-at-Large, who will be helping the VSCL Board with their wealth of institutional knowledge during 2022. I will also highlight some upcoming events in February as well as more VSCL and classics memes.

For this issue of the MM, I received quality memes and Tiktoks that your fellow VSCL members wanted to share with everyone else! Big thank you to those who sent me stuff (and of course I will credit y'all in the Nugae section ❤️) If anyone else wants to share anything else in the following issues, they're always welcome!

Stay safe and see you at the social event! (More of y'all should show up it was very fun last time and we missed you greatly 😊 some memes will also be more enjoyable \*wink wink\*)
