

MURMURATOR MENSTRUUS

DECEMBER 2021 EDITION

Salvete omnes!

I hope y'all had a merry Christmas and I also hope y'all will have a Happy New Year! I'm Jungmin Shin, a sophomore at William and Mary, and I'm very excited to serve as your VSCL Editor this year. I hope I can live up to the standards my predecessors have established in the Murmurator Menstruus and Queritor Quotidianus publications (although while making this edition I realized Kashi raised the bar extremely high for me and my successors). I can manage bringing the humor for now but y'all will get to (hopefully) see me hit the learning curve for designing these newsletters over the next couple months.

In this issue, I'll be introducing the 2021-2022 VSCL Board, highlighting some upcoming events, and showcasing some of my memes inspired from Convention. Speaking of upcoming events, applications are still open until January 1st for Member(s)-at-Large who would be willing to help the VSCL Board! If you are interested, please fill out the application found in page 3 of this issue and email it to Abigail Lund at president.vscl@gmail.com.

As a final note, if you have any content ideas (memes maybe? Or anything else) that you want to share with the rest of the VSCL, email me at editor.vscl@gmail.com and I can incorporate it in the following issues. 😊

Happy 2022 and hope to see you at the social event,

Jungmin Shin
