

Queritor Quotidianus Summer 2022 Edition

Salvete omnes!

I hope everyone is enjoying their summer vacation so far! I surely have been having a blast from research since the end of the semester (but also been very occupied by it 😞 very sorry about that)

In this edition, I have some updates on upcoming events, a pros and cons list of going on vacation with the Olympians, and just random Classics inspired memes.

Have a nice and relaxing summer,

Jungmin Shin

VACATION WITH THE OLYMPIANS

Zeus	Pros: Don't like cloudy or rainy weather on your vacation? Zeus can change that for you! Cons: Probably spending very little time with your group because he's busy chatting up the ladies
Hera	Pros: Will argue against any mistreatments during the vacation and make sure your group is treated well Cons: Would not be forgiving of any wrongdoings during the vacation
Poseidon	Pros: Your beach plans will never fail, granted that he's in a good mood Cons: If he's not in a good mood, you might face sea monsters instead of a nice beach day
Demeter	Pros: Will make sure you are well-fed during the vacation Cons: Will be too busy being excited about a good farming location in a seemingly random patch of land
Athena	Pros: Can help you make the most out of the vacation by planning every detail of the trip and planning backup plans and backup plans for the backup plans

QUERITOR QUOTIDIANUS SUMMER 2022

	<p>Cons: Might not be lenient with your spontaneous ideas since she planned every aspect of the trip down to the minute</p>
Apollo	<p>Pros: You will never get bored while you travel because he is well versed in the arts like singing and poetry</p> <p>Cons: All the entertainment might be too much when you're just trying to relax at your lodging</p>
Artemis	<p>Pros: A perfect companion for a camping trip with all her survival skills and hunting abilities</p> <p>Cons: Uninterested in anywhere with no game</p>
Ares	<p>Pros: Can protect you from any mugging attempts or physical altercations</p> <p>Cons: Might pick random fights with strangers, putting you in awkward situations</p>
Hephaestus	<p>Pros: He can make you all kinds of gizmos that would make many aspects of your vacation more convenient</p> <p>Cons: Too busy thinking about the next gizmo that he could make to enjoy the vacation with you</p>
Aphrodite	<p>Pros: Probably could help you find the destined significant other on the trip (if you are looking for one)</p> <p>Cons: The pro above could be annoying if you are not looking for a significant other on the trip</p>
Hermes	<p>Pros: Can protect you from pickpocketing and scams because chances are he probably knows about them already</p> <p>Cons: Might get you in legal trouble because he might be pickpocketing from the locals himself</p>
Hestia	<p>Pros: Will be the mom friend of the group, looking after the entire group's wellbeing throughout the vacation</p> <p>Cons: Will not be helpful in making decisions on what to eat, where to go, because she's content with whatever the group decides</p>
Dionysus	<p>Pros: Evenings at the lodging would be so fun with him</p> <p>Cons: Probably is too hung over from last night's drinking to join you in the daytime plans</p>
