

MURMURATORMENSTRUUS

DECEMBER 2019

Salvēte / Χαίρετε,

Another convention is in the books!

I'm very excited to be serving as VSCL Editor for the next year. I hope to be able to live up to my predecessors legacy of good humor, as well as Wyatt's and Cully's legacies of being tall bois (sorry, Grace). I'm hoping to keep the *Murmura-tor Menstruus* going at a monthly rate, except in April and November, when I drop the *Queritor Quotidianus* at State Finals Certamen and VJCL Convention.

I'd love to have as many perspectives as possible for VSCL Publications so I can capture as much of the community as I can. Feel free to send in memes, short articles (either serious or satirical), announcements of events and achievements, and photos. You can reach me at any of my six email accounts, but I'd prefer it if you used vscl.editor@gmail.com. If there aren't any submissions, I'll have to forcibly connect the entirety of VSCL into a single neural network to extract your ideas. Or (even worse) I'll let Wyatt submit content. Srsly tho pls send me things.

In case anyone didn't see James' post in the facebook group, the VSCL board is seeking applications to be the VSCL MAL in 2020. [Click this link to download the application](#). If you plan to apply, send your application to James (president.vscl@gmail.com) no later than January 5th.
